

Pravo's State of the Union - 2023 Recap

The past year at Pravo Construction has been a testament to our resilience and adaptability, particularly amidst market shifts. Our team, our greatest asset, grew in number and expertise, which led to a 35% increase in revenue. We're proud to have completed diverse projects encompassing corporate interiors, hospitality, manufacturing, adaptive reuse, property management, and historical preservation.

As Austin continues to experience growth, we're excited about our city's evolution and our role within it. We've remained steadfast in preserving the authenticity of our community while mindfully building for our future. We are builders, first and foremost and our unwavering commitment to superior craftsmanship continues to define our endeavors. Looking ahead, I eagerly anticipate contributing further to Austin's progress and fostering collaborative success in the upcoming year.

Drew Hanish | CEO, Pravo Construction

Key Projects of 2023

Norwood Tower

Location: Heart of Austin

Project Details: This historic skyscraper required a delicate touch, blending modern amenities with timeless architecture. Our work in several suites has added a new chapter to this iconic building's story and Pravo's History.

Sushi Roku

Location: Downtown Austin

Project Details: Crafting an upscale dining experience, we brought a slice of California's culinary brilliance to Austin. This Japanese fusion cuisine restaurant now stands as a testament to our commitment to building spaces that aren't just structures, but experiences.

Superstition Night Club

Location: Riverfront District, Austin

Project Details: This once vacant building, silent for 15 years, is now the heartbeat of Austin's nightlife. Our team's dedication shone through as we preserved its historical essence while injecting modern vibes. Standing in the club, we couldn't help but feel the foundations of our hard work resonating with every beat.

Frontera Crossing

Location: Suburban Austin

Project Details: Modernizing office spaces while enhancing outdoor aesthetics, this project reflected our versatility. It's a cornerstone in our mission to revitalize spaces for tomorrow's market.

Shady Side

Location: East Austin

Project Details: In collaboration with Saxum Real Estate and Tenant Design, we've constructed new office spaces, contributing significantly to East Austin's business district. Notably, we laid the groundwork for Qubika's HQ, a key player emerging from the Moove-It merger.

As we wrap up our Year in Review, we're incredibly grateful for the trust and support of our clients throughout 2023. We've achieved amazing things together and we're excited to see what 2024 holds.

When planning your next commercial project, our team of experts are here to make it happen. Don't wait until the New Year to get started. [Reach out to us today](#) to discuss your ideas and let's build!
