DELIVERING EXCELLENCE IN EVERY BUILD_

Since 2016, Pravo Construction has built a reputation for delivering high-quality tenant improvement, adaptive reuse, hospitality, industrial/manufacturing, and historical projects across central Texas. As a full-service general contractor, we streamline the entire process, ensuring projects are delivered efficiently, on time, on budget, and to the highest standard.

With a growing team and a passion for transforming spaces, we continue to produce exceptional results across a wide range of industries.

Whether you're an architect with a bold concept, a construction manager seeking a reliable partner, or a developer focused on quality and efficiency, Pravo is ready to help bring your vision and space to life.

WHY CHOOSE PRAVO?

RELIABLE EXECUTION

Proven ability to deliver on time and within budget, regardless of project complexity.

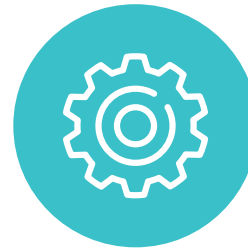

BUILT IN AUSTIN

As a local firm, we understand the fabric of Austin—its neighborhoods, history, and how to build with care and purpose.

CLIENT-FIRST APPROACH

Every decision is driven by your priorities, timeline, and bottom line.

SEAMLESS COMMUNICATION

Clear processes and proactive issue resolution ensure smoother project delivery.

DEEP INDUSTRY RELATIONSHIPS

Strong partnerships with architects, engineers, and subcontractors which streamline project efficiency.

INNOVATIVE THINKING

Whether it's a new build or an adaptive reuse project, we find the best solutions to unlock your space's potential.
